

## **How are you looking after the safety of your team?**

- Training for everyone on social distancing and hygiene standards
- Job specific training, e.g. enhanced cleaning standards or food hygiene
- Clear guidance on taking time off when feeling unwell
- Communication channels for team members to get further advice and guidance
- Provision of PPE consistent with job roles, where required

## **How are you looking after the safety of your guests?**

- Minimal contact at check-in/check-out, including contactless payment
  - Perspex screens within the reception area
  - Sanitisation of room key cards before re-use
- Social distancing applied using the 2-metre rule throughout the hotel, including guest communication and signage to reinforce the message
  - Hand sanitizer stations in key locations

## How have you revised your cleaning standards?

We have implemented the following sanitisation and cleaning measures:

Thorough deep clean and sanitisation before reopening

Use of globally recognised chemical provider Ecolab & increased use of appropriate chemicals

Increased time allotted for room cleaning to enable a deeper level of cleaning

## How have you revised your cleaning standards?

Disinfection of all touchpoints within bedrooms & a 'one cloth per room' policy, meaning a new/fresh cleaning cloth in every room

Revised team training to educate on the new standards required

Increased frequency of cleaning in public areas including touchpoints such as lift controls, door handles and soap dispensers, etc

Increased cleaning regimes back of house

Use of appropriate PPE, which is changed regularly, for housekeeping team members
